ARTICLE 38
NO STRIKE AND NO LOCK OUT

1. Neither the Union nor the employees shall engage in a strike, work stoppage, work slow-down, sympathy strike or any similar type of concerted action which has the effect of a strike, work stoppage or work slow-down on the Employer's operations.

3. The Employer shall not lock out the employees.

ARTICLE 39 SAFETY

1. The parties shall cooperate to continue to provide healthy and safe working conditions. The Employer, the Employer's insurance carrier and the Union shall participate in a Safety Committee. The purpose of the Committee is to review causes of injuries and develop procedures designed to prevent or elimination of unsafe conditions. The Committee shall make recommendations to the Department Head. The decision of the Department Head with regard to such recommendation is not arbitrable.
2. If employees believe that the continued performance of their work creates an imminent and serious danger to their health, then the following procedure shall be followed:
 - a. Employees shall communicate with their immediate supervisor and explain why they believe that there is an immediate and serious danger. The supervisor and the employees shall thereupon discuss and attempt to resolve the condition.
 - b. If discussion fails to resolve the condition, then the Department Head or a designee shall be contacted to observe the condition and resolve the dispute. For example: If the safety of a motor vehicle or unit of equipment is at issue, then a mechanic employed by the Parks Department shall be called to the scene to inspect the same. The parties shall then take appropriate action based upon the opinion of the mechanic. If the mechanic finds it to be unsafe, then it shall not be operated.
3. If after the completion of the aforesaid procedure, employees or the Union are not satisfied that the safety dispute has properly been resolved, then a grievance may be taken. The grievance shall be heard by the Director of Personnel or a designee.
